

Nisaba Action OS - Study Pack

Teaching docs first. Code dumps quarantined. Glossary is law.

Source: [gate/study-pdfs/](#) | reference dumps: [gate/study-pdfs/reference/](#)

HARD RULE: Start at 18 (full kid-plain glossary). Every fancy word must be defined there - including irreversibility. 04-07/10 code dumps are REFERENCE ONLY. Cash first (Friday send).

Suggested path

- 18 (glossary) -> 11 -> 01 -> 02 -> 03 -> 14 -> 08 -> 09 -> 04 -> 05 -> 06 -> 07 -> 10 -> 15-17 -> 12
- If a word is missing from 18, that is a pack bug - expand 18 before guessing
